MEET & GREET INVITATION NOTICE FOR INTERESTED PARTIES

There is an upcoming Building Construction project at the U.S. Consulate General Arnona Jerusalem. The project will be competitively let (bid) by U.S. general contractors, followed by project award to a single, winning U.S. contractor in June 2018. The U.S. contractor may subcontract renovation work to local, Israeli construction companies. The project award to a U.S. contractor is expected to exceed \$20 million.

The Design-Build project scope includes Building Addition, Compound Upgrades, and Improvements to Utilities and Parking.

You are cordially invited to attend a "Meet & Greet" session between bidding U.S. general contractors and interested Israeli contractors on the morning of April 25th. These U.S. contractors will be in the local area to gather project and local information to prepare their bid proposals to the U.S. Government, including local partners-subcontractors. This "Meet & Greet" session will provide interested Israeli contractors the opportunity to meet the U.S. bidding contractors, and present your qualifications for subcontract work.

In order to attend the meeting the Firms need to be knowledgeable in written and spoken English and possess all appropriate permits and licenses required to perform construction building services in Israel.

The U.S. bidding contractors are solely responsible for the selection of their subcontractors. This event is NOT a guarantee for work. There will be no contractual relationship between the U.S. Government and any subcontractors.

Please send your interest in attending this meeting to Chanan Stern at SternCC@State.gov AND Jennifer Leung at LeungJB@state.gov no later than April 23, 2018 using "**Phase 2 Arnona Project**" as the subject line. Your request needs to include:

1. The point of contact name, e-mail address, ID# and phone number
2. The company name and full address
3. Trade/Expertise

Thank you for your interest
